

Hello Everyone! I'm Janice Tucker Rhoda, Author of the ABCs of STRINGS instruction series published by world-famous Carl Fischer Music. I designed my method to encourage students of all ages to play Violin, Viola, Cello and Bass. Teachers tell me my method is easy and enjoyable for the student. This Link includes a list of wonderful teachers who use the ABCs: www.abcsofstrings.com/teacherlessons.html

I studied Violin in the prep and college divisions of New England Conservatory beginning at age 16 with pedagogue Eric Rosenblith, protégé of the great Carl Flesch. I played a Brahms Sonata on a popular TV show at age 16, and became concertmistress of Massachusetts All-State Orchestra after auditioning playing Mendelssohn's Violin Concerto. When I was age 19 a car hit my Italian violin out of my hand; it sailed through the air and crashed to the ground! I grew up in a family of 5 children and 35 first cousins. Come visit my Facebook Fan Page and see photos of the wonderful musicians on the ABCs CDs: www.facebook.com/janicetuckerrhoda

Share my journey to make this world a more peaceful place to live through the power of playing and teaching Violin Viola Cello Bass. It has never been more meaningful as it is now. Join millions of people Worldwide who know the power of communicating and healing through Music. Music is the Universal Language.
